

DEPARTMENT of CHEMISTRY

## Science Lecture Announcement

*Science & technology lectures presented by the Skyline College Department of Chemistry; the Math, Engineering Science Achievement Program (MESA); and the San Francisco State University Bridges to Baccalaureate Program*

---

## Student Research Presentations

*by Rebecca Belloso*

*Nicole Garza & Sean Linder*

*Bardo Castro & Pamela Rios*

Students will share their experiences from summer research internships. Three pairs of student researchers who carried out projects at Skyline College under the direction of Dr. Christine Case and at San Francisco State in the *Bridges to Baccalaureate* program will present their findings and discuss their experiences in carrying out their experiments and presenting at a national conference.

***Date:* Wednesday, September 7, 2011**

***Time:* 5:00 pm**

***Room:* Building 7, Room 7-106**
