**Oct 4th & 5th - Pre-Med Conference @ American River College** This annual conference brings community college students together for pre-med workshops on a myriad of issues, ranging from information about medical school curriculum to public policy and public health education. To be considered for the field trip you must sign up at the MESA Center by Wed Oct 1st and be a Computer Engineering or Computer Science Major. Extra consideration will

be given to students who have joined the Engineering/SHPE club by October 1st . We have a lot of interest so unfortunately not everyone interested will be able to attend. On Friday Oct 3rd I'll let everyone know who are the three students selected and a waitlist of alternates who might get the opportunity to join in if one of the other MESA programs has a free space.

**Clubs!** MESA-related clubs meet at the MESA Center and there are free snacks during meetings.
