
How To Turn in Assignments

Kevin Nilson, <http://www.smccd.net/accounts/nilsonk/smc2006springcis125/s06cis125welcome.html>

Abstract

How To Turn in Assignments, CIS 125, Visual Basic .NET I , Spring 2006

Procedure

All assignments (Homework, Exercises, Programs) are to be typed and turned in electronically.

Options to Turn in Assignments

1. Upload to <http://www.javaclimber.com/gradebook/> [<http://www.javaclimber.com/gradebook/>]
2. Email the assignment to
`<nilsonk@smccd.net>`

Make sure CIS 125 is in the subject of the email

Make sure the title of the Program is in the subject of the email

3. Give the professor a Disk/CD/Thumb Drive

Upload is the preferred method of submission.

Programs

- Name should be included as a comment at the top of each file
- Comments explaining the purpose of the file
- All source files should be included
- The Program exe should be included
